

Dear Mr. Greenwood,

Due to the ever-increasing crime in Cyprus, especially prime in the bar venue district of Paphos, as a bar-owner it was imperative to have CCTV installed.

Appreciating your company not only has a good reputation in the community as a service provider, but that you are a fully-licensed operator, I decided to appoint you.

I was very pleased at the high level of service your trained staff provided and the efficiency of the installation. No mess, no exposed wiring and no inconvenience to my staff or business during the process.

It will be a pleasure to refer your services to other venue owners who would benefit from the peace of mind of security as I have.

Kind regards,

Ben
